MILPITAS, CA (May 22, 2018) — Orchard Partners is pleased to announce it has signed a lease with Barco, Inc. at 1421 McCarthy Boulevard, Milpitas, CA, located on the 47-acre Tasman Tech campus. Barco will occupy the newly updated 31,165 square foot building upon completion of its interior improvements. The building was recently renovated with contemporary design elements and spacious ten-foot ceilings. Outdoor amenity spaces have ecofriendly landscaping and generous outdoor gathering areas.

Barco, a global technology company, designs and develops networked visualization products for the entertainment, enterprise and healthcare markets. The company will be relocating to Tasman Tech from Fremont. Terry Bell and Joe Elliott of Colliers represented Barco, while the landlord was represented by Bob Steinbock and Sherman Chan of CBRE. The project team also includes Studio G Architects, HMM Landscape Architects, and Southbay Construction.

Located on Tasman Drive between Interstate 880 and Coyote Creek, Tasman Tech is comprised of 14 buildings totaling 609,228 square feet. Orchard Partners acquired the office/R&D complex in 2014 with Houston-based Lionstone Investments. Interior and exterior improvements have been made to elevate the campus to best-in-class with beautiful outdoor spaces and innovative work environments.

“We are pleased to welcome Barco to our tenant roster at Tasman Tech. Our current leasing momentum validates our recent capital investment in campus-wide upgrades,” states Mike Biggar, Managing Partner at Orchard Partners. “Our next round of campus enhancements will include on-site food offerings, a fitness center, and a bike sharing program.”

Flexible single or multi-tenant market-ready spaces ranging from 11,000 to 225,000 square feet are currently available.
